INDIVIDUAL COACHING

LIFE AND WORK
IN GERMANY

ARRIVING IN GERMANY

The coaching provides a pathway for you to transition smoothly into both professionally and personally in a new environment. Our experienced and culturally sensitive coaches assist you in finding a suitable training position, accompany you in entering the world of work, or support you in choosing your studies and the next steps. The coaching provides you with security, makes your competencies visible, and strengthens you for your new life in Germany.

CONTENT OF THE COACHING

1

Discovering competencies and finding new goals

2

Unlocking inner and outer resources

3

How does Germany work?

4

Navigating the job market

5

Application management

6

Language coaching for job applications

7

Entry into the workforce

8

My digital workplace

+++ In person or online +++
